SPOTLIGHT

A long journey of innovation

The creative and innovative designs are there to see for yourselves in our outdoor luminaires. **Ms. Sharmila Kumbhat**, Director, K-Lite Industries describes more about her contribution to the industry

Ms. Sharmila Kumbhat, Director, K-Lite Industries, Chennai started her professional career at the early age of sixteen in a grill manufacturing unit "Metal Craft" supporting her father Mr. Dilip Kumbhat. At the age of 19 she won "Best Female Entrepreneur Award" presented to her by the Chief Minister of Tamil Nadu. In 2017-2018, she went to Dubai and won "Asia One- World's Greatest Brands" for K-Lite's architectural lighting & poles.

In 1977 K-LITE began a long journey of innovation in lighting products, chasing the dream of light. Light allows us to realize the possibilities of our imagination. The quality of light influences the quality of life and it is clear that light must combine technique and emotions contemporaneously, defining new values, meanings, feelings, culture, comfort etc., overcoming the simple light - dark dichotomy. K-Lite, through their innovative outlook, have highlighted a whole range of new products under various portfolios. The range is all the more very special because of the light source viz., energy saving, environment friendly "green" lighting with LED. The application with innovative design using LED includes retail lighting, office lighting, consumer luminaires, architectural lighting, facade lighting, pathway lighting,

in-ground luminaire, tree-uplighter, up-down lighting, billboard lighting, vertical light bars, wall washers, area lighting poles and above all, street lighting with sleek polar lighting solutions, an instant hit.

The range of outdoor luminaires are very popular and extensively used in many prestigious locations throughout the country. Street Lighting at Amritsar Golden Temple Complex, Varanasi City, Chandigarh-Mohali Highway etc., are standing proofs of our outstanding outdoor lighting projects. K-LITE has the expertise to manufacture 'custom built' luminaires. Almost since inception, we are closely associated with the Indian Railways, catering to their wide range of Luminaire requirements. Proximity of Indian Railway's most prestigious Passenger Coach Building Unit, Integral Coach Factory and our capability to manufacture and test the custom-built luminaires enabled K-Lite to be in the forefront of their developmental activities. It cater to the specially designed luminaire requirements of prestigious Rajdhani Express, Shatabdi Express, "Palace on Wheel" EMUs, Jaipur Metro, Delhi Metro, Bangalore Metro and above all the latest Kolkata-Metro and Sri Lankan Metro coaches. ■
