The essence of lighting is one of the most important things in our lives. As a company, K-lite is passionate about creating a distinctive atmosphere that improves the quality of life in cities and towns by exploring the many potential facets of lighting that supports the well-being and safety of all.

Founded in 1977 in India, K-Lite has grown to be the leading manufacturer of outdoor luminaires and decorative poles. K-Lite's proven performance in the landscape segment is because of its ability to stylishly convey the identity of a space with a blend of efficiency and modularity to maximise the visual comfort that is best suited to each specific area. With manufacturing units in Bhopal and Chennai, the brand places a lot of emphasis on designing and manufacturing sustainable and efficient LED luminaires.

Their landscape products are exposed to environmental factors, i.e. wind, water, direct sunlight, rain, dust, etc. and have high IP (ingress
