## SPECIAL FEATURE

## K-LITE REDEFINES LANDSCAPE LIGHTING

*Established in 1977, K-Lite offers a vast collection of high quality Architectural luminaires and poles to suit variety of applications and design styles*

Pioneering breakthroughs in the lighting industry is no mean feat. And who understands it better than K-LITE. Since the very beginning, K-Lite has been focused on design and technology that make a difference. With manufacturing units in Bhopal and Chennai, K-Lite places a lot of emphasis on designing and manufacturing sustainable and efficient LED luminaires. K-Lite's proven performance in the landscape segment is because of its ability to stylishly convey the identity of a space with a

blend of efficiency and modularity.

Landscape products are exposed to diverse environmental factors – wind, water, sunlight, rain, dust. The products have to be designed taking into consideration the vagaries of nature. K-Lite's outdoor products come equipped with high IP (ingress protection)/IK ratings. The products are highly robust paired with elegant aesthetics, making it well suited for landscape and outdoor applications.

The Landscape range includes:  
Linear Wall Washer, Up-Down Lighters,

LED Strips/Neon flex, Promenade Lighting, Bollards, Under Water Lighting, Post top luminaires, Bulk Heads, Path finders, IP67 Linear Profiles, Polar lighting and newly added series of Facade Lighting.
