**S**ince its inception, K-Lite has focused on the production of sustainable and efficient LED luminaires through its manufacturing units. The products meet stringent quality standards while embodying elegant aesthetics.

K-Lite's landscape products are designed to withstand various environmental challenges such as wind, water, direct sunlight, rain, and dust. Each outdoor luminaire boasts high IP (ingress protection) and IK ratings, ensuring robustness and durability for outdoor and landscape applications.

K-Lite offers a comprehensive and versatile range of products, including linear wall washers, up-down lighters, LED strips/neon flexes, promenade lighting, bollards, underwater lighting, post-top luminaires, bulkheads, pathfinders, IP67 linear profiles, polar lighting, and the recently introduced series of facade lighting.

K-Lite's commitment to innovation and quality shines through in every product, blending functional efficiency with aesthetic appeal. Each luminaire in the landscape range is perfectly
